Second Annual Bull Sale

Monday, March 10, 2014
Union Stock Yards
Hillsboro, Ohio • 7 p.m.

**Selling 57 Head
of Angus and
Simmental-Angus
Bulls**

2594 St. Rt. 73 • Hillsboro, OH 45133

John & Joanie Grimes • 937-764-1198

E-mail: mcfarms@cinci.rr.com

www.maplecrestfarms.com

Dear Cattlemen,

We would like to invite you to Hillsboro on Monday, March 10 to attend our second annual bull sale. The sale will be held at the Union Stock Yards and will begin at 7:00 p.m.

Our breeding philosophy is fairly straightforward. We strive to breed cattle that excel in both their genetic and phenotypic makeup. While we work hard to make sure our cattle read well and are pleasing to the eye, we understand that our customers have priorities as well. Commercial cattlemen need bulls that sire cattle that are problem-free and can achieve competitive prices at feeder calf sales. We believe this set of bulls provides an excellent balance of economically-important traits such as calving ease, growth, maternal, and carcass traits.

We are offering 57 serviceable-aged Angus and Simmental-Angus bulls in this sale. They include spring yearlings, fall 18 month olds, and two-year-olds. They all sell complete with EPD's, performance data, breeding soundness examinations, and have been tested negative for persistent BVD. The Maplecrest herd also maintains Certified and Accredited status for Tuberculosis and Brucellosis.

The beef industry is currently going through a period of historically high prices for all classes of cattle. Now is the perfect time to upgrade the genetics of your herd bull. Every live calf, extra pounds of weaning and yearling weight, and improved carcass merit are worth significant dollars to the cow-calf producer. The Angus and Simmental-Angus bulls selling represent some of the leading genetics that each breed has to offer. They will help you reach your production and profit goals.

Please give us a call so we may visit with you about how these bulls can help you achieve the production goals for your herd. We look forward to seeing you on the evening of March 10.

Sincerely,

John

MAPLECREST FARMS SECOND ANNUAL BULL SALE • MARCH 10 • UNION STOCK YARDS • 7 P.M.

This elite herd sire prospect exemplifies what our breeding program is all about. We believe you can combine a superior EPD profile with excellent phenotype in one package and J2106 does exactly that. He is sired by the popular Select Sires member and Maplecrest senior herd sire Connealy Confidence out of one of the most meaningful donor females in the history of our program. A maternal sister was the \$15,000 top-selling bred heifer in our 2012 sale and a full sister was the \$13,000 top-selling bred heifer in our 2013 sale.

If you are looking for a bull that can produce market-topping feeder calves and high quality replacement females, check out J2238. This bull possesses solid growth numbers and superior carcass traits. He ranks in the top 2% of all non-parent Angus bulls Rib Eye EPD and top 1% for \$ Beef EPD. His dam is a beautiful Total daughter from the noted Forever Lady cow family that has served as a donor for us. Make sure to check him out. He will be popular on sale day.

We start off the Simmental-Angus division of our bull sale with this excellent son of Pays to Dream. 233Z represents our desire to provide high quality Sim-Angus genetics for the commercial cow-calf producer. He ranks in the top 5% of the breed for All-Purpose Index (API) and the top 15% for Terminal Index (TI). His dam was a long-time donor for us and has blessed us with many outstanding progeny. A622 was also a past Grand Champion Female at the Ohio State Fair Jr. Angus Show. The two Sim-Angus sons of A622 that sell in this sale will be your last opportunity to own a direct son of this highly productive cow.

Seldom do you have the opportunity to select from multiple full brothers when choosing your next herd sire. This excellent set of Capitalist sons is truly unique in their EPD profile. You will look long and hard to find this uncommon combination of tremendous calving ease and powerful growth. For those producers wanting to have it all, these bulls rank in the top 15% of all non-parent Angus bulls for Calving Ease Direct EPD, top 2% for Weaning Weight EPD, and top 3% for Yearling Weight EPD.

Agricultural Winter Fair in Toronto, Canada and Grand Champion Bred & Owned Female at the Eastern Regional Junior Angus Show. Another full sister topped our 2013 sale at \$26,500 for 1/2 interest and was named Res. Sr. Heifer Calf Champion at the Royal Agricultural Winter Fair. Our partner on these two females is French River Cattle Co., Aurora, Ontario, Canada. The dam of these outstanding bulls, the now-deceased M546, ranks as one of the very best cows to ever walk our pastures. There will not be many more out of this powerful cow to sell so take advantage of this opportunity.

Total has established himself as one of the breed's all-time performance leaders. Total has been the long standing Maplecrest senior herd sire featured member of the Select Sires A.I. stud lineup. He continues to rank among the breed's elite in terms of growth, carcass traits, and \$Indexes. Total brings much more to the table than statistics. The docility of his progeny is well documented and the udder quality of his daughters is excellent. He is truly the "Total" package.

The early reports of Confidence calves from across the country are exciting. We believe you will look long and hard to find the genetic merit and phenotypic excellence that this great young sire brings to the table. Confidence represents everything we are looking for in a herd sire: calving ease, solid growth, carcass and \$Index superiority wrapped up in a structurally sound, eye appealing package. As our partners at Select Sires say, "You got to have Confidence!"

Speedway was our selection from the 2012 Sunset View Spring Bull Sale to assist us in our effort to produce quality Simmental-Angus genetics. This son of the ABS Global sire LMF Movin Forward was produced by a full sister to the noted In Dew Time. Speedway is an excellent combination of structural soundness, depth of rib and power, all in a moderate framed package.
